

How to Vote – 6 Easy Steps

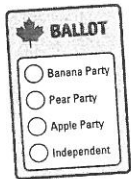

Once you're registered, here's what you can expect when you go to vote at your polling place.

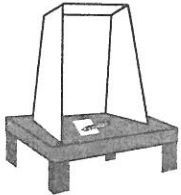

- 1 When you enter the polling place, an election worker greets you and shows you to the right table.

- 2 At your table, show your proof of identity and address.

- 3 The election worker will initial, fold and hand you a ballot.

- 4 Go behind the voting screen, mark and refold your ballot to keep it secret.

- 5 Return your ballot to the worker so they can verify it is an official ballot.

- 6 Put your ballot in the box.

How to Vote

Consider the steps involved in casting your ballot at the polling place. Draw and illustrate the important steps below:
