

Bagging a Grizzly

Considering Viewpoints

Stakeholder	Values (what's important to them)	In support of grizzly hunting or not?	Why or why not?	Wants	Actions (likely to carry out/have carried out)

Reflections Complete the following stems on the reverse of this paper:

- *Before reading, I thought grizzly bear hunting should / should not (circle one) be allowed because...*
- *After reading, researching, and discussing, my views on grizzly bear hunting have changed slightly / greatly / remained the same (circle one). I used to think... but now I...*
- *I also learned... This helped me understand...*
- *One thing that's important to consider in this controversy is... because...*
