

Where do you stand?

Read each statement below and decide if you agree or disagree with the view. Answer each question as honestly as you can and provide a reason.

1. Companies that pollute our air and water should suffer consequences.

2. Canada should not welcome any more immigrants.

3. Canada should spend more money on our armed forces.

4. People who make more money should pay more in taxes.

5. Government should focus on earning money, not helping people.

6. Canada should give more money and aid to poorer countries.

7. The government should provide free childcare for all families.

8. The government should be small and provide limited services, so that we do not have to pay a lot of taxes.

9. Tradition is more important than change in our society.

10. The death penalty is wrong and should not be allowed for any crime.
